```

D          C          G          D
I had my dream I held your hand on that broad avenue
D          C          G          D
We crossed the road And never spoke to another as we flew
D          C          G          D
We left your man alone in drag laughing there at us
D          C          G          D
A romantic bust a blunder turned explosive blunderbuss

```

D C G D x4 (drums enter)

piano riff

```

D          C          G          D
An ancient grand hotel of Persian thread and ivory
D          C          G          D
And when your man would turn his head I'd see you look at me
D          C          G          D
Pools of brown and sea of red and demons in your pocket
D          C          G          D
That same romance Performed a dance inside your silver locket

```

```

D C G D
Da da da da
D C G D
Da da da da

```

**D** **C** **G** **D**  
 A corner exit not tall enough to walk out standing straight  
**D** **C** **G** **D**  
 Designed by men so ladies would have to lean back in their gate  
**D** **C** **G** **D**  
 You grabbed my arm and left with me but you were not allowed to  
**D** **C** **G** **D**  
 You took me to a public place to quietly blend into

**D** **C** **G** **D**  
 Such a trick pretending not to be doing what you want to do  
**D** **C** **G** **D**  
 But seems like everybody does this every waking moment

**D C G D** x2

piano riff

**D** **C** **G** **D**

I laid you down and touched you like the two of us both needed  
**D** **C** **G** **D**  
 Safe to say that others might not approve of this and pleaded  
**D** **C** **G** **D**  
 So selfish them would be their cry and who'd be brave to argue?  
**D** **C** **G** **D**  
 Doin' what two people need is never on the menu

**D C G D** x2

**D C G D**  
 Da da da da  
**D C G D**  
 Da da da da

END
