```

Artist: Danzig
Song: Mother

I've labeled each section verse or chorus to help you distinguish strumming patterns. I won't provide the strumming pattern here but you can figure it out listening to the song. Personally I add some left hand muting in the chorus between the Am and Am as well as between the F and G.

(verse)

Am

Mother

F **G** **Am** **F**

Tell your children not to walk my way

G **Am**

Tell your children not to hear my words

F

What they mean

G

What they say

Am **F** **G**

Mother

(verse)

Mother

Can you keep them in the dark for life

Can you hide them from the waiting world

Oh mother

(verse)

Father

Gonna take your daughter out tonight

Gonna show her my world

Oh father

(chorus)

F **G** **Am**

Not about to see your light

Am **G** **F**

But if you wanna find hell with me

G **Am**

I can show you what it's like

Am **G** **F**

Till you're bleeding

G **Am**

Not about to see your light

Am **G** **F**

But if you wanna find hell with me

G **F** (play **F** for **A** full measure)

I can show you what it's

(verse)

Mother

Tell your children not to hold my hand

Tell your children not to understand

Oh mother

(verse)

Father

Do you wanna bang heads with me
Do you wanna fear everything
Oh father

(chorus)

Not about to see your light
if you wanna find hell with me
I can show you what it's like
Till you're bleeding

Not about to see your light
And if you wanna find hell with me
I can show you what it's
Damn

solo

(rhythm plays verse chords)

Not about to see your light

But if you wanna find hell with me
I can show you what it's like
Till you're bleeding

Not about to see your light
And if you wanna find hell with me
I can show you what it's like

Am

Mother....

END
